Good evening, Mr. Walker, Ms. Condit.

I'd like to take a look at all emails in the possession of anyone on the SCBID BID staff or Board that are TO/FROM/CC/BCC anyone at the listed domains from January 1, 2017 through date of compliance:

1. hollywoodbid.org
2. southpark.la
3. downtownla.com
4. mediadistrict.org
5. labids.org
6. historiccore.bid
7. urbanplaceconsulting.com
8. lacity.org
9. lapd.online
10. fashiondistrict.org
11. ccala.org
12. venicebeachbid.com
13. devine-strategies.com
14. rodriguezstrategies.com
15. downtown.org
16. csun.edu

Also, I need to see the contract between the SCBID and the BID consultant, if there was one, that you all used for your most recent BID renewal. If you've already signed a contract for your upcoming renewal in 2020 I'd like to see that contract as well.

I also need to see all emails and their attachments in the same format between anyone on the BID staff and anyone on the BID Board of Directors for the same time range.

I need to see these emails and their attachments in their native formats as required by CPRA at section 6253.9(a). For emails this means EML, MBOX, or MSG. If you provide emails in one of these formats the attachments will automatically be included in native format as well.

Finally, I would like to see agendas and minutes of the Board and all committees for as far back as you hold them in electronic form. I need to see these in native format as well.

Thanks so much for your help and I look forward to receiving your response within the statutorily mandated time-frame.
